

# ***Rewilding 2020***

This is our call for partners, presenters, ideas, themes, and sponsors .....

## **We are looking especially for the following:**

- 1) Contributions on the theme of '*rewilding the mind*':
  - rewilding in literature, in art, and in practice;
  - rewilding & health benefits / impacts – mental, physical, & the economics of these; and
  - Shamanism, Sacred Groves & the spirituality of rewilding.
- 2) Rewilding the city & bringing 'wild' to the people; the new urban wild
- 3) The economics of rewilding
- 4) Rewilding projects and practice – examples and case-studies
- 5) Transforming places
